

## **Ms. Kay Sexton**

Managing Partner

Ms. Sexton has over 26 years' experience in the Aerospace industry, excelling in process automation, AS9100 compliance, and project management. Change management, collaboration, and communications are a daily focus as she provides outstanding support and administrative problem solving that has benefited many of her clients and peers.

Ms. Sexton loves to spend time hiking the woods behind her home, skiing, and spending time with her dog Alfred.
